

Dear Parent/Carer,

My name is Barbara Roff and I am the Supervisor of the Mini Beasts Play Club attached to Tops Day Nursery, Poole. Our activities are chosen by the children who come to our Mini Beasts Club over the school holidays and during breakfast & after school club.

We have gained links with Longfleet and St Mary's school teachers, with other outside agencies, as well as parents and carers and we often get involved in fundraising activities within the Poole community.

Each child has a scrapbook that they can contribute to whilst they are with us. We would like to encourage them to add things from home and other clubs, such as photographs and copies of certificates. These books will enable us to find out more about each child's individual achievements and celebrate them as a group.

The group often goes out on trips to the library, park and other venues, please fill out the required permission slips for any trips that your child would like to attend and provide them with a drink, packed lunch, a spare change of clothes and suitable outer wear/footwear for the weather on the day. Please also provide a pair of slippers for indoors.

Cooked lunches and lighter teas are available and can be booked in advance or on the day. Menus can be found in the reception area of Mini Beasts. In our garden we grow fruit and vegetables which we eat throughout the year. Snacks are provided free of charge.

We look forward to welcoming you and your children and look forward to seeing you all soon.

*Barbara Roff and the Mini Beasts team*
