

# Minibeasts Easter 2008

This Easter holiday has come around so very quickly; it seems like only yesterday that we were all here for Christmas!

Well, so far this year we have gained two rooms as our minibeasts playclub is becoming increasingly more and more popular.

I thought I would take the time to go through the room changes in a little more detail:

## The Messy/Food room:

This is the original playclub room and we are going to be carrying out craft, cooking and sand and water activities; Hence the messy side. We will also be using this room to eat our meals in as we have a large table for the children to sit at.

The Lounge: (old ball pool room)

We are going to be moving our sofa and television in to this room, alongside a lot more cushions and bean

bags. We are hoping to have some cuddly toys too,

so this room will give the children a chance to chill out and relax.

The Homework/Study room: (old office)

This room so far has one computer for games; we are

hoping to get another

specifically for homework. We

have decided to

use the alcove for reading and so far the children have really enjoyed this.

We are planning on reading

with the children, now we have the space, using the

books they are bringing home

from school; this could also

help out some of you parents

If you have any queries regarding these changes

please feel free to ask either myself or Jenna.

Now moving onto Easter, hopefully you have all had or will be receiving a copy of our plans. We have a small trip to the local park and a trip to Kingston Maurward amongst many other activities. We will be

covering 'Easter' and 'On the farm' as our topics.

You will need to book ASAP to guarantee your child's place and to avoid any disappointment.

### Vouchers

A big thank you to all of those that help us by collecting the supermarket vouchers. We got some really nice new things last time. Once again we are

collecting more!! We are collecting Sainsbury's and Tesco Computer for school vouchers. There are boxes by the front reception or between the Yellow and Purple units to pop them in.

### *A note from the children ...*

'Please can you help us getting things that we need like curtains for our lounge' Thomas and Natasha

'Please can some mums and dads come early and play one day?' Harry

'Please can we bring in videos and films and comics that are ok for our age as some children might be allergic' Aidan (He means films with no fighting in 😊)

'Thank you for letting us come here' Samuel

'Thank you for the vouchers and toys given to us' Harry and Aidan

Thank you for letting us go on trips' Owen W

Let's have a great Easter break and we'll start planning for the next holiday!!

Natalie and Jenna
